Coach/Assistant Coach Application

Name: _____ Position Desired: _____

Personal Testimony:

(Please give a brief description of how you came to know Jesus, and his current place in your life.)

The church you presently attend is:

Address: _____

Phone: _____

Pastor: _____ Time Attended: _____

Relevant Experience:

How did you hear about this position:

Are you an alumnus of the school? Yes No

Do you have any children attending the school? Yes No

If yes, please list their names and grades.

Can you certify that you are at least 18 years of age? Yes No

Are you willing to submit to a statewide background check and fingerprinting? Yes No

Have you read Crosspoint's attached athletics policies? Yes No

If you have read the policies, do you agree to abide by and uphold them? Yes No

Do you understand that coaches at Crosspoint are unpaid volunteers? Yes No

If offered a position are you willing to abide by the attached positional expectations? Yes No

Are you aware that coaches are required to apply after every season, and that the coach thought to best fit our program for the upcoming year will be selected? Yes No

Please provide a character reference that is not your pastor or relative:

Name: _____ Relationship: _____

Address: _____ Phone Number: _____

My signature below indicates that all of my answers are correct and that I intend, to the best of my ability, to be a model of Christ-likeness for my team if I'm chosen for this position.

Signature: _____ Date: _____

Crosspoint Christian School Coaching Position & Conduct Expectations

The following is a list of expectations that Crosspoint Christian School has of its coaches. These items have been stated in order to clarify the coaches' relationship to the school and the school's oversight of the coach.

1. Coaches shall be Christians in word and deed: professing with their mouth that Jesus is their savior and living a life that gives testimony to that profession.
2. Coaches shall read and abide by the Crosspoint Christian School athletic policies as stated in the parent/student handbook
3. Coaches shall serve as a model of Christ-likeness for their team: in practice, competition and at all times otherwise. Specifically, it is expected that coaches do not use profanity or foul language, do not berate students, do not employ sarcasm, do not yell excessively, and do not lose control of their temper. Conversely, coaches are expected to exhibit love, joy, peace, patience, kindness, goodness, gentleness and self control.
4. Coaches shall make weekly contact during the season, either by phone or email, with the school Athletic Director. These "conversations" are designed to keep the school informed of the team's activities on an official level.
5. Coaches shall speak personally to the school administrator and/or the athletic director if any of the following need to happen: 1) a team/coach won't be attending a scheduled event*, 2) a team/coach will be late to a scheduled event, 3) the coach would like to remove a student from the team, 4) a student has been injured during a practice or competition.

I _____ (please print) have read and agree to meet, to the best of my ability, the expectations listed above. I understand that my failure to meet these expectations to any degree may be grounds for removal from the coaching position. If at any time after my selection for the position I feel that I am no longer able to meet these expectations, for any reason, I agree to contact the school administrator directly.

Signature: _____

Date: _____

*If, for any reason, a coach knows that he/she or their team will be unable to attend a scheduled event they shall contact the school administrator and/or athletic director immediately. If this information is known in advance of the date in question then the coach shall notify said personnel as far in advance as possible.

ATHLETIC POLICIES

1. There shall be no games or practices on the 2nd and 4th Thursdays of each month. These days are strictly reserved for extracurricular clubs.
2. There shall be no games or practices on days preceding final exams.
3. No practice will be held on a Wednesday unless it is completed by 5:30 p.m.
4. Parents are responsible for their athlete's transportation for practices and games. CCS is in no way responsible for nor will it supervise transportation to and from an athletic event.
5. In the event that a player falls below a 1.7 grade point average or receives a failing grade in one or more courses, as determined by the Administrator, he/she will be suspended from all games for the period of one week. Grades will be averaged each Friday and reported each Monday. Players ineligible at the time of grade reporting will not play any games the following week (Tuesday-Monday). Players who are eligible at that time will be allowed to play in all games the following week. Players may continue to practice with the team at the parents' or coach's discretion even when they are academically ineligible to play. Players who are ineligible due to grades will not dress out with the team for games or travel to any away games.
6. If a player is ineligible to play due to grades three times during the season, the coach and secondary administrator will evaluate whether or not the player should remain on the team. If a player is ineligible to play due to grades four times during a season, the player will automatically be removed from the team.
7. If players have missed school on the day of a practice or game for any reason other than a family emergency such as a death or a medical emergency with an immediate family member, they may not attend practice or play in the game.
8. Because developing the quality of commitment is a major goal of the program, athletes who miss the practice before a game may not start in the next game. Athletes who miss an excessive amount of practices may be removed from the team. The coach will specify what is excessive at the beginning of the season.
9. Coaches have the prerogative to play athletes as they see fit to be competitive. This means that players may not necessarily have equal playing time.
10. Because one of the purposes of the athletic program is to develop Christ-like character, especially in the area of self-control, any player who displays temper or disrespect on the playing field must be removed from the game. He/she may return to the game at the coach's discretion.
11. If students who are not members of the team wish to attend an overnight out-of-town tournament, they must be accompanied by a parent or a responsible adult. Chaperones for the team will not be responsible for students who are not on the team.
12. Parents of athletes must assume the following responsibilities:
 - a. They must take their turn at the admission/concession stand.
 - b. They must take their turn at cleaning the gym following games.
13. A schedule will be given to families early in the season. If you are unable to fulfill your obligations for any reason, please find another parent who can replace you.
14. Because CCS must utilize other gyms for practice, parents should be responsible for transporting their athletes to practice. Do not assume that another parent will take responsibility for your child. Parents may certainly work out a rotating schedule that meets their transportation needs.
15. Parents, players, and other CCS fans are expected to represent the school in a Christ-like manner at all sporting events. This includes avoiding the use of profanity, being respectful to officials and other fans, being respectful to the other team, and following the guidelines of the school where the game is held.

Parents and fans are encouraged to hold one another accountable in this area. Violators of this policy may be asked to leave the game.

16. All students participating on sports teams shall follow the spirit of the regular school dress code in the choosing of uniform sizes and the wearing of uniform clothing. Therefore, unnecessarily short shorts and skirts are not appropriate. Likewise, no undergarments should show when an athletic uniform is being worn. Also, any player that does not feel comfortably modest in standard-issue, sports uniform item will be given the option of wearing another, similar item. Uniform substitutions must be approved in advance by the team's coach, and must not inhibit game play or violate game rules or conditions. (Substitution Example: A girl playing volleyball that does not feel modest wearing the standard-issue, lycra shorts, would be allowed to wear longer, looser fitting shorts so long as the color was appropriate, and the length didn't inhibit game play.) Players who show up to a game in a uniform that violates this policy, as determined by the coach and or the administrator, will not be allowed to participate in that event.
17. Athletes must turn in all uniforms before receiving their final report card for the year or their diploma if a senior. Uniforms must be returned in the same condition in which they were issued. If not, the student will be required to pay for the uniform.
18. All students must receive a physical PRIOR to beginning practices for any sport.
19. Students who leave a practice or game due to an injury must have a written doctor's release to return.
20. Students will be required to pay a fee for each sport in which they participate.
21. Sixth grade students will only be invited to participate in the secondary sports program if there are open slots on the team. Coaches will determine prior to the enrollment period how many players they will need for that season.
22. Parents and players will agree to these policies in order to participate in the athletic program of CCS.
23. Money received from admissions and concessions will be used to pay referee fees, tournament entry fees, and other miscellaneous athletic fees.
24. Each sport will receive \$200 as compensation for gas and travel expenses. The Head Coach will receive \$100 and the remaining \$100 will be divided between Assistant Coaches.
25. At the end of each sports season, coaching positions become vacant and open for application for the following school year. Applications are due within 60 days of the last game of the respective season. The Athletic Director and Administrator will review the applications and make a recommendation to the School Board based on the applications received. The Board will have final approval of the Head Coach.
26. The Head Coach will make recommendations to the Athletic Director as to what Assistant Coaches will work with the team. The Assistant Coaches will also submit applications for approval by the Athletic Director and the Administrator. All coaches will undergo a background check.

NOTE: "Player" or "athlete" refers to any student playing on any sports team sponsored by CCS, any student cheering on the cheerleading squad, or any student acting in an official capacity associated with the athletic program.
