Discounts, Credits, and Penalties

- Discounts may not be stacked. Families receive one discount per student, the most generous applicable.
- A student whose parent is a Crosspoint staff or faculty member qualifies for a 50% tuition discount, pro-rated based on number of hours working.
- Financial aid is available on a first-come, first-serve basis for those **with demonstrated need**. Interested parties must submit a completed financial aid application online.
- A penalty of \$25.00 will be charged for any NSF checks returned to Crosspoint. After the second occurrence during the school year, all further transactions with the school must be paid with cash, money order, or cashier's check.
- Once a student begins attending classes for a semester, tuition is required to be paid in full for that semester even if the student transfers to another school, withdraws, or is removed due to disciplinary measures. Any exception must be approved by the school board. A student who begins a semester will pay no less than one month's tuition, regardless of exception.
