

### Every Student

- Bible** (required; any translation allowed; NO paraphrases such as *The Message* or *TNIV*; teacher recommendation – a hardcover edition, such as a pew Bible, will hold up for student use over several years; \$10-15 from christianbook.com, Amazon)
- 3 boxes tissue**
- 2 rolls paper towels**
- 3-ring binder(s)** (at least 1 for loose-leaf paper & handouts)
- loose-leaf paper** (for assignments/quizzes/notes)
- spiral notebooks** (notes/journals)
- pencils** (replacement lead/erasers for mechanical pencils)
- pencil sharpener** (NOT battery operated; for students using regular pencils)
- blue/black ink pens** (NO metallic or fluorescent colors)
- red ink pen** (grading only)
- pencil bag** (w/ holes for 3-ring binder)
- highlighter(s)**
- assignment book** (required)
- index cards** (3"x 5")
- book covers** (for ALL hardcover texts; brown paper shopping bags preferred; NO stretchy fabric or sticky contact paper)

### Science/Social Studies

- colored pencils – box of 12-24 (box of 50 for A&P students)**

### Art

- adult-size scissors** (need left-handed?)

### Reading Workshop/Lit Seminar

- spiral notebook or composition book** (80-120 pp. is sufficient; must be used only for this class!)

### Spanish

- The University of Chicago Spanish Dictionary*** (Wal-mart, Amazon, Barnes & Noble)

### Basic Math/Pre-Algebra

- compass**
- protractor** (clear plastic w/ inch/cm markings along lower edge)
- English/metric ruler** (w/ holes for 3-ring binder or 6" size to fit in pencil bag)
- Basic Math/Pre-Algebra – none** (business unit exception)

### Geometry

- compass**
- protractor** (clear plastic w/ inch/cm markings along lower edge)
- English/metric ruler** (w/ holes for 3-ring binder or 6" size to fit in pencil bag)

### Calculators

- Consumer & Business Math – basic or scientific calculator**

**Algebra 1/Geometry/Chemistry/ Physics – scientific calculator** (teacher recommendation – TI-30X IIS \$13 at Wal-Mart/Target/Amazon; Algebra 1 students may NOT use graphing calculators)

**Algebra 2/Pre-Calculus/Calculus – graphing calculator** (teacher recommendation – TI-83 or TI-84 \$100; DO NOT buy a TI-85 or TI-86; TI-89 excellent for students pursuing math careers, but cannot be used on college entrance exams; calculators may be purchased on eBay at greatly reduced prices – watch condition)

### P.E.

- gym shirt** (purchase from school office) & **black shorts** (mid-thigh length or longer)
- tennis shoes**
- loose black sweatpants** (for cold weather)
